Bowman Tells of His Capture by the Scouts of Big "King James."

OLD STYLE IN A CASTLE.

Descendants of Castaways Talk and Dress in the Fashion of 1613.

B. Patrick, from the far East, came side her pier in Staten Island yescleaguide her pier in States Island yes-terday and as the snorting donkey en-Thad not gone more than about half few her exverious holds, her conversational-hungry officers told the tale of the voyage. There was told also the tale of the voyage. There was told also the tale of the voyage. There was told also the tale of the voyage. There was told also the tale of the voyage. There was told also the tale of the voyage. There was told also the tale of the voyage that deserves designed to the voyage that deserves the inimaginative and unsophisticated the properties of the tale of the tale. Well, sir, I thought I was dreaming and started to pinch myself, but just then I got a prod in the back and the next moment two 'g, bewhistered on July 5, after having called at the properties of the later than ince began serking the Oriental cargo shind two Syrian stowaways were discovered and put to work. At Algiere drawbridge and all. When we got to the most one of my conductors bawled two ecean loboss were left behind, but a few hours after the St.

to the rest take of the St. Patrick to the years so creditously spun by Second Mate Berry Bowmes. Mate Bowden is going to leave the St. Patrick and return to England in a few days and he years explains the reason why.

"Three yetips ago 13 was mate on a little tramp ateamer that traded through the removal of the rest of the removal of the rest of the removal of

tropical growth, but it looked cool and inviting and I was glad to get ashore and stretch my legs. Not car from the shore we found a spring, and while the

from within, and with many creaks and

"The seen and women, although very dark, had Anglo-Saxon features, and, most autonishing of all, they spoke most autonishing of all, they spoke English—a quaint Elizabethan English.

I was draged to one end of the hall, where on a raised platform sat a giant on a raised platform sat a giant of a man, with whishers all over his served their customs and had handed join the colony. I gave my word.

The seen and women, although very dark, had Anglo-Saxon features, and, down the story through the ages.

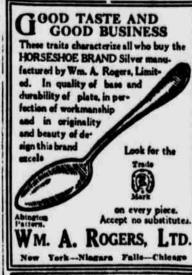

"I was excepted to the shere and left james and try to organize an expedition to find that island and its ancient in fort Jefferson, L. I., and there was no one in the place. The residences of Joseph Unican, and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. When I got should be applied to the men and they put back for me. The week and they be applied to the men and they put back for me. They applied to the men and they put back for me. They

GETS ACQUAINTED WITH THE BEWHISKERED KING. "Kneel, thou catiff," said my con-

"fire, we have brought before thee

"Know you aught of England?" asked the big man. "Well, I told the big chap I was an Englishman and he told me to arise and alt beside him, and for an hour he asked me about England and myself, and from him I learned the story of the Island and its people. It was a story that had been handed down from

father to son for many, many genera-tions, and it was hasy in many points. "But briefly I learned that many, many years before an English ship had been driven out of her course and into the south sees and after weeks of hardships the ship was cast up on the island. The survivors remained English-men and although they intermarried with the natives they had ever pre-

-treated me fine and I sat at his right abourd the old man was as mad as a hand at dinner, and what a meal! but wet hen and wanted to know what I Family Away, Blase Starte finally I told his sibs that I would meant by delaying him. have to get back to the ship or be left "When I started to "ell the old man

have to get back to the ship or be left behind.

"He was for having me remain, but when I was insistent he each he would have me escorted to the shore. He made me promise that upon my return to England I would look up the Drummend steamed on her way.

"This is the first chance I've had to expedition to return to the loland and get back to England since and I'm go-

all their awnings burned away.
